COMANCHE PEAK STEAM ELECTRIC STATION  
Solid State Protection System Undetectable Failure  
File No: 10110

Dear Mr. Madsen:

On August 18, 1982, we verbally informed your Mr. T. Westerman of a deficiency identified regarding solid state protection system undetectable failure.

We are continuing our evaluation and anticipate completion by November 30, 1982.

Very truly yours,

  
for R. J. Gary
