Dear Mr. Schwencer:

The reference letter, received by us on August 30, 1982, requested that we arrange the RAIs contained in the enclosure into several groupings such that each grouping forms the basis for a meeting with your staff. Four groupings have been developed.

GROUP I

Group I RAIs are concerned with FSAR format or adequacy of system separation. These RAIs are:

421.10	421.24
