Time Extensions were requested by References (C), (D) and (E). It was  
estimated that a Final Report would be available by May 24, 1983.

Due to the extensive investigation and evaluation required, it is now  
expected that this information will be finalized by June 24, 1983, at  
which time a complete report will be submitted.

There is no new information or change to the Interim Report at this time.

Very truly yours,
