Docket No. 50-322 (OL)
Correction to LILCO Submittal of
Interim Offsite Emergency Plans

Dear Administrative Law Judges:

A minor correction needs to be made to "LILCO's Memorandum of Service of Supplemental Emergency Planning Information," which I filed May 26, 1983, along with LILCO's interim offsite emergency plan. On page 13 the Memorandum says that, other than the substitution of LILCO traffic guides for Suffolk County traffic policemen, "the evacuation plan originally filed as Appendix A to the LILCO-County plan remains unchanged."

Actually, there is one other difference between the interim evacuation plan and the LILCO-County evacuation plan. The LILCO interim plan does not call for traffic lights to be set on "flashing yellow," while the LILCO-County plan does.

I hope this will straighten out the record. The emergency plans are correct as filed; only the Memorandum of Service needs to be corrected.

Yours very truly,

James N. Christman
