Gentlemen:

Enclosed are two filings by Citizens Concerned About Nuclear Power, Inc. in the South Texas Nuclear Project docket. The first is CCANP's response to the Applicants' Seventh Set of Interrogatories. The second is a supplement to CCANP's motion for a new contention on the financial qualifications of Houston Lighting and Power Company.

CCANP is not filing a response to the Applicants' motion to compel answers to its sixth set of interrogatories other than to reiterate the objections and arguments expressed in the answers given by CCANP to those interrogatories.

About Nuclear Power,
