FREEDOM OF INFORMATION ACT REQUEST

Director
Office of Administration
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

FOIA-83-161

Rec'd 3-31-83

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. §552, the Government Accountability Project (GAP) of the Institute for Policy Studies requests copies of any and all agency records and information related to and/or generated in connection with any and all investigations, inspections and reports of:

- (1) any and all allegations of Mr. Robert Gunderson, and
- (2) any and all allegations of a senior Bechtel manager concerning electrical problems and deficiencies,

concerning the Palo Verde Nuclear Generating Station, Units 1, 2 and 3 (Arizona). This request includes any and all agency records and information, including but not limited to notes, letters, files, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, graphs, charts, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, books, telephone messages, computations, voice recordings, any other data compilations, interim and/or final reports, status reports, generated or obtained by NRC personnel in connection with investigations, inspections and/or reports on the above allegations.

If any records have been destroyed and/or removed, please provide all surrounding records, including but not limited to a list of all records which have been or are destroyed and/or removed, a description of the action(s) taken, relevant date(s), individual, office and/or agency-wide policies and/or justification(s) for the action(s), identification of all personnel involved with the action(s), and any and all records relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because "finding the information can be considered as primarily benefitting the general public." 5 U.S.C. §552(a)(4)(A). The Government Accountability Project is a non-profit, nonpartisan public interest organization concerned

with honest and open government. Through legal representation, advice, national conferences, films, publications and public outreach, the Project promotes whistleblowers as agents of government accountability. GAP requests the above information as part of an ongoing monitoring project on the adequacy of the NRC's efforts to protect public safety and health at nuclear power plants.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C.Cir. 1973), cert. denied, 415 U.S. 977 (1974).

We look forward to your response to this request within ten days.

Yours truly,
