Re: Freedom of Information Act Request

To Whom it may concern:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to records concerning safety and construction violations at the Zimmer nuclear power station at Moscow, Ohio.

If there are any fees for processing the information, please send them to me without informing me of the fees if they do not exceed fifteen dollars.

I am requesting this information as a concerned citizen living near said power plant.

The FOIA permits you to waive or reduce fees, when releasing the information is considered as "primarily benefitting the public". I believe this request is beneficial to the public, and therefore ask you to waive any fees incurred.

If this request is denied, please cite the specific exemptions that prohibit the release of this information.

I would appreciate the prompt handling of this request.

Sincerely,

Andrew Bading
