

Dear Judge Kelley + Board, June 6, 1983

This is written notice that Applicant + I have scheduled negotiations re the adequacy of their June 3 1983 responses to interrogatories re Eddleman 45 (Water Hammer). Due to schedule difficulties, attorney Flynn + I will begin negotiations Thursday June 23 as now scheduled. Should these negotiations fail to resolve the issues negotiated, a motion to compel will follow within 10 days.

Please note, negotiations re all earlier responses are still continuing subject to my + counsel's schedules. *Well Eddleman*
