Status of Transient Brochure Distribution

Gentlemen:

This letter is to provide the current status of our transient brochure distribution program. Upon receipt of your March 29, 1983 letter (ØCANØ38333) and FEMA's March 29, 1983 letter, we requested the state to order holders for the transient brochures. They in turn requested bids on the holders. The bid process has recently been completed and a purchase order for the holders has been issued. Delivery is expected by June 6, 1983. Upon receipt, it will take approximately 3-4 weeks to complete distribution throughout the 10-mile EPZ.

Very truly yours,

John R. Marshall
