PRAIRIE ISLAND NUCLEAR GENERATING PLANT
Docket No. 50-282 License No. DPR-42
50-306 DPR-60

Submission of Revision 9 Pages for Prairie Island Security Plan

Pursuant to 10 CFR 50.54(p) attached are five copies of REV 9 pages for the Prairie Island Security Plan. Instructions are provided for entering the revised pages in the previous complete Security Plan revision.

This revision is being incorporated at the recommendation of Region III, I&E Security Inspectors. We conclude that this change does not decrease the effectiveness of the Prairie Island Security Plan.

This revision to the Prairie Island Security Plan contains Safeguards Information as identified by the Commission in 10 CFR Part 73. The Security Plan revisions should not be made available for inspection, and not be placed in the public document room.
