Gentlemen:

Thank you for your letter of December 21, 1982 advising us of the change in project managers for the Oregon State University TRIGA Reactor. We look forward to working with Mr. Carter.

Upon receipt of your letter we noticed that it was addressed to John Ringle, Reactor Supervisor. Since Dr. Ringle does not occupy that position in our organization, it would be of great assistance to us and our communications with the NRC if all correspondence regarding the OSU TRIGA Reactor could be addressed to:

Dr. C. H. Wang  
Reactor Administrator & Director  
Radiation Center  
Oregon State University  
Corvallis, OR 97331

Thank you very much for your assistance.

Sincerely yours,
