Annual Environmental Operating Report

Gentlemen:

The ANO-1 and 2 Technical Specifications require the submittal of an annual environmental operating report by May 1 of each year. This report is currently under internal review by AP&L, however, we have determined that additional time is required in order to assure a thorough review of the document. The required report will be submitted no later than May 31, 1983.

Very truly yours,

John R. Marshall  
Manager, Licensing
