Dear Sir:

Enclosed are three (3) copies of the FitzPatrick  
Off-Site Dose Calculation Manual (ODCM), which is  
designed to accompany the proposed Radiological  
Effluent Technical Specifications submitted in the  
referenced letter.

The ODCM, which was prepared by an Authority contractor,  
has been reviewed by the Authority and was approved by the  
Plant Operating Review Committee. Better copies of the  
ODCM, more suitable for reproduction, will be forwarded  
to you within one month.

If you have any questions regarding this matter, please  
contact Mr. J.A. Gray, Jr. of my staff.

Very truly yours,
