ATTENTION: MR. R. W. BORCHARDT

SUBJECT: CROSS REFERENCE OF REQUESTS FOR ADDITIONAL INFORMATION
RESPONSES TO AFFECTED AP600 SSAR SECTIONS

Dear Mr. Borchardt:

To assist the staff in its review of the AP600 design, Westinghouse has consistently provided draft SSAR revisions as part of our responses to NRC Requests for Additional Information (RAI). The attachment to this letter provides a table identifying those RAIs issued since revision 1 of the SSAR that impact one or more SSAR sections. Westinghouse is in the process of incorporating the changes into revision 2 of the SSAR.

This fulfills our commitment made in our letter of August 5, 1994. Please contact Brian A. McIntyre on (412) 374-4334 if you have any questions concerning this transmittal.
