By letter dated April 26, 1983, Mr. James M. The notice provided, inter alia, that pursuant to the provisions of 10 C.F.R. §2.201, the Applicant should submit its response to your office within 30 days of the date of the notice. The letter also specified that consideration be given to extending the response time for good cause shown.

extension of time of one week until and including July 5, 1983 to file its response.

In view of the corrective actions already undertaken to date as noted in the letter from Region I dated April 26, 1983, the extension requested should not pose any problem. If you have any questions, please let me know.
