June 22, 1983

LICENSEES' OPPOSITION TO INTERVENORS'
MOTION FOR EXTENSION OF TIME
TO SUBMIT PROPOSED FINDINGS

Consolidated Edison Company of New York, Inc. and the Power Authority of the State of New York, licensees of Indian Point Units 2 and 3, respectively, hereby oppose Intervenor's Motion for Extension of Time to Submit Proposed Findings. Intervenor's motion is yet another attempt to further delay the completion of this proceeding, which has already been delayed a year beyond the Commission's original deadline. In addition, all parties have already enjoyed a month-long extension as a result of the Commission's enforcement proceeding. Accordingly, this Board should not again postpone the Commission's receipt of the Board's recommendations.

If this Board does grant the intervenors' motion, however, licensees request that this extension be made applicable to all parties. Licensees further request that the Board rule on the intervenors' motion promptly.

Respectfully submitted,

Brent L. Brandenburg /sk.
Brent L. Brandenburg /sk.
