SUBJECT: Waterford 3 Steam Electric Station
Security Program
(Safeguards Contingency Plan)

Dear Sir:

The enclosed revision to the Safeguards Contingency Plan for Waterford Steam Electric Station, Unit No. 3 (W3 SES) is submitted, in accordance with 10CFR50.54(p). This change is Revision 2 to the Plan.

This revision is necessitated by changes in proposed operating procedures and organizational changes as a result of further refinement of the security program at Waterford 3 SES by Louisiana Power & Light Company. A summary of changes is found in Enclosure 1 to this letter. Page changes to the Plan are submitted as Enclosure 2 hereto.

All changes to the Plan have been sidelined for ease of reference.

This revision in no way decreases the safeguards effectiveness of the security program at Waterford 3 SES.

If there are any questions, please do not hesitate to contact us.

Yours very truly,

L. V. Maurin
