Subject: Additional Filing Fee for Proposed Technical Specification Change  
#83-3

Dear Sir:

By letter dated June 1, 1983, we submitted a check for \$4,000 in payment of filing fees for Proposed Technical Specification Change #83-3. This proposed change included both changes to the MCPR limits and the safety relief valve simmer margin. These were submitted by letter dated April 5, 1983.

In a letter from Ms. Reba M. Diggs, dated May 20, 1983, we were informed that two Class III fees of \$4,000 each were appropriate for Proposed Change #83-3. We agree with this determination and submit the attached check for \$4,000 to complete payment for Proposed Change #83-3.

Very truly yours,

*W.D. Harrington*
