PORC 484 SEP 29 1982

EFFECTIVE
DATE

10-1-82

1.0 PURPOSE

To establish a procedure for inspecting the contents of the Radiological Emergency Kits.

2.0 APPLICABILITY

Inspection of the contents of the emergency kits will be done on a quarterly basis to insure all equipment is in an operable condition and all contents as listed on the applicable check list are accounted for.

3.0 GENERAL REQUIREMENTS

The locations of the Radiological Emergency Kits are the Fort St. Vrain Warehouse, the Engineering/Quality Assurance/Training Complex, and the Technical Support Center.

4.0 PROCEDURE

4.1 Check all the contents of the Radiological Emergency Kit against the applicable check list and correct any discrepancies.

4.2 Insure all equipment is operational.

4.3 Replace tape and batteries as necessary.

4.4 Check calibration and/or inspection dates where applicable and replace as necessary.

4.5 Indicate all discrepancies, reason, and estimate correction date.
