Louisiana Power & Light Company  
ATTN Mr. L. V. Maurin  
Assistant V.P. - Nuclear Operations  
Waterford 3 SES Nuclear Plant  
P. O. Box B  
Killona, LA 70066

Gentlemen:

SUBJECT: HAZARDOUS MATERIALS CAPABLE OF AFFECTING WATERFORD 3 SES  
NUCLEAR PLANT AT KILLONA, LA.

This letter will serve to confirm an Agreement between Shell Norco Manufacturing Complex and Louisiana Power & Light Company (L.P.&L.), concerning L.P.&L. emergency planning at their Waterford 3 Nuclear Plant located at Killona, Louisiana. Shell Norco Manufacturing Complex agrees to:

1. Advise L.P.&L. periodically regarding significant changes in hazardous materials inventory that could affect the safety analysis of Waterford 3 Nuclear Plant at Killona, Louisiana, and
2. Promptly notify Waterford 3, via the St. Charles Parish Civil Defense Emergency Operations Center "hot line" telephone system, if a hazardous material release occurs at our facility that could affect the Waterford 3 Nuclear Plant.

In agreeing to undertake the foregoing action, Shell does not assume any additional liability, beyond that which it might otherwise have, for any release of a hazardous material at the facility.

Very truly yours,

TO

THE UNITED STATES NUCLEAR REGULATORY COMMISSION (USNRC)

STATEMENT OF FACT

I, H.J. Bettencourt, being duly responsible as Manager for the Shell Oil Company and Shell Chemical Company facilities, better known as the Shell Norco Manufacturing Complex located at Norco, Louisiana, do hereby proclaim all Shell information provided to Louisiana Power & Light Company (LP&L) for response to the United States Nuclear Regulatory Commission (USNRC) to be proprietary and strictly confidential in nature.

In furtherance thereof, I, H.J. Bettencourt, grant Louisiana Power & Light Company (LP&L) the privilege to submit this proprietary and confidential Shell information, pertaining to LP&L's Waterford 3 Nuclear Plant, to the United States Nuclear Regulatory Commission (USNRC) for their regulatory evaluation only of LP&L's Waterford 3 Nuclear Plant operating license application. All Shell information provided is proprietary and to be held in strictest confidence at all times by the above parties (LP&L and USNRC) having access thereto. The information provided contains production figures, raw materials, trade secrets, and other proprietary information.

With the above limited conditions for use of this proprietary Shell information fully specified and understood by the parties named above, I, H.J. Bettencourt, affix my signature and date of same to this Affidavit (Statement of Fact) below.
