Site Visit

Dear Messrs. Barth, Eddleman, Payne, Runkle, Wilson and Read:

As you will remember, in its May 27, 1983 Memorandum & Order (Ruling on Costs Savings Contentions, Discovery Disputes, and Scheduling Matters), the Licensing Board set a tentative schedule for a third prehearing conference and a visit to the Harris site for July 20 and 21, 1983.

I have been advised by the Board that it wishes to visit the site on the 21st. Accordingly, we at CP&L are now making arrangements for the tour.

The representatives of the intervenors and the NRC staff are, of course, welcome to take the tour and the Board has requested that I write to you and advise you of the schedule.

Please let me know by July 18, 1983 whether you plan to take the tour on July 21st. If you have any questions, please call.
