BRUNSWICK STEAM ELECTRIC PLANT, UNIT NOS. 1 AND 2
DOCKET NO. 50-325 & 50-324/LICENSE NO. DPR-71 & DPR-62
TERMINATION OF OPERATOR LICENSE DOCKET NO. 55-20503

Dear Mr. Ebnetter:

The purpose of this letter is to provide the NRC, in accordance with 10CFR55.55(a), Carolina Power & Light Company's (CP&L) request for the termination of a senior reactor operator license associated with the Brunswick Steam Electric Plant, Unit Nos. 1 and 2.

The Company has determined that the following licensed individual no longer needs to maintain a license:

Docket Number	55-20503
License Number	SOP-20688

Please refer questions regarding this submittal to Mr. M. S. Williams at (919) 457-2056.

Sincerely,

John Paul Cowan
Director
