### Summary of Changes

The Oyster Creek Security Training and Qualification Plan was revised in order to accomplish the following:

1. Sections 3.0 and 4.1 were changed to remove specific reference to the caliber of semi-automatic pistols or revolvers that are being used by Security personnel. This will eliminate the need to revise this document in the event that the type of weapons are changed in the future. The weapons in use meet or exceed the requirements of 10 CFR 73, Appendix B.

The Oyster Creek Security Plan was revised in order to accomplish the following:

1. Section 1.1 has been revised to reflect the title change for the Director-Security and Corporate Planning position.
2. Section 1.2 has been revised to eliminate the Senior Site Protection Supervisor position.
3. Section 1.4.5.1 has been revised to remove specific reference to the caliber of semi-automatic pistols or revolvers that are being used by Security personnel. This will eliminate the need to revise this document in the event that the type of weapons are changed in the future. The weapons in use meet or exceed the requirements of 10 CFR 73, Appendix B.
4. Enclosure "E1-1" was revised to reflect the above mentioned title and position changes.
