Dear Ms. Hoyt:

Pursuant to C.F.R. §2.715(c), we representatives of the Town of Rye understand that towns are not required to take a position on any issue, and will be afforded a reasonable opportunity to participate and to introduce evidence, interrogate witnesses, and advise the Commission with respect to any issues of relevance to our town, including those associated with emergency preparedness.

Since holding your pre-trial conference out of the state in which a majority of those town interests reside, we request that you reschedule a repeat of this pre-hearing conference somewhere in the New Hampshire Seacoast in order to provide a more reasonable opportunity for interested participation prior to the implementation of the full hearing process.

Very truly yours,

BOARD OF SELECTMEN
