SUBJECT: Limerick Generating Station, Units 1 and 2
Submittal of Revisions to the Physical Security Plan

Dear Sir:

This letter submits, in accordance with 10CFR 50.4(b)(4)(iii), four (4) controlled copies of the revised Limerick Generating Station (LGS) Physical Security Plan. The revision is detailed in the summary of the Plan revisions.

The revision is being submitted in accordance with 10CFR 50.54(p)(a), and has been determined not to decrease the effectiveness of the LGS Physical Security Plan. This plan change reflects the restructuring of the security control and guard force organization following the implementation of the Nuclear Efficiency and Effectiveness Design Study (NEEDS) recommendations.

In accordance with 10CFR 73.21, we request that the enclosed revisions to the LGS Physical Security Plan, which contain Safeguard Information, be withheld from public disclosure and protected as described in 10CFR 73.21. This revision is numbered Issue 2, Rev. 0.

Very truly yours,
