Subject: Notification of Claim - Background Information

References: (a) Boston Edison Company Letter to NRC, dated January 18, 1983
(BECO 83-22).

(b) NRC Letter to Boston Edison Company, dated February 15, 1983.

Attachment: (1) Exposure Evaluation Report, dated February 26, 1980 relative
to Mr. M.A. Caputo.

Dear Mr. Martin:

Reference (a) transmitted a Notification of Claim filed against Boston Edison Company by Mr. M.A. Caputo. Reference (b) requested that Boston Edison Company provide a report of the circumstances surrounding a high reading dosimeter and the Company's subsequent evaluation of it.

Attachment 1 is Boston Edison Company's response.

Due to the fact that Attachment 1 relates to ongoing litigation and in addition, in accordance with 10CFR §2.790 regarding personnel and medical files, Boston Edison Company requests that Attachment 1 not be disclosed to the public.

It is Boston Edison Company's intention to fully cooperate with the NRC in this matter. Please do not hesitate to contact me should further information be necessary.

Sincerely,

JE Howard
