Subject: Submittal of Draft Off-Site Dose Calculation Manual (ODCM)

Dear Sir:

In Reference (b), we informed you of our intended schedule for submitting drafts of our Radiological Effluent Technical Specifications (RETS) and Off-Site Dose Calculation Manual (ODCM) to your consultant, Franklin Research Center (FRC). We have forwarded the draft RETS to FRC via Reference (c); however, our intended schedule for submitting the ODCM has been delayed. The purpose of this letter is to inform you that we presently expect to submit the draft ODCM to FRC by June 6, 1983.

We trust this schedule is acceptable; however, should you have any questions in this matter, please contact us.

Very truly yours,
