OFFICE OF SEC. STAFF  
DOCKING & SERVICE  
BRANCH

Chairman C Bechhoefer  
Atomic Safety & Licensing Board Panel  
US Nuclear Regulatory Commission  
Washington, DC 20555

Dear Chairman Bechhoefer

Due to a collating error, two attachments to the testimony of Roy A Wells, Jr were omitted from the Consumers Power Company testimony filed for the April 1983 ASLB Hearings. These two attachments are transmitted herewith to all parties.

An index of the Consumers Power Company testimony and attachments is also included for your convenience. Please note that the attachments to the testimony are numbered on the bottom of the front page of each attachment.

Very truly yours

*James E Brunner*
