Gentlemen:

Please be informed that as the result of an organizational change that became effective on April 1, 1991, Fitness-for Duty Program responsibilities were transferred from the Security Services Section - General Services Division to the Nuclear Energy Division. Accordingly, we request that you change the designated addressee for all NRC Fitness-for-Duty-related correspondence from Mr. G. D. Schwartz, Jr. Vice President-General Services Division to Mr. G. C. Creel, Vice President-Nuclear Energy Division.

We also request that distribution to Baltimore Gas and Electric Company concerning NRC Fitness-for-Duty correspondence and information include only those individuals indicated on the attachment to this letter.

Should you have any questions regarding this matter, we will be pleased to discuss them with you.

Very truly yours,
