Dear Mr. Collins:

We are transmitting herein revisions to several emergency preparedness related documents. The changes affect the following document binders:

Plant RERP Procedures, Section 10.A - Issue 5

If there is confusion as to which issue is most recent whenever multiple copies are received in a short period of time, the highest issue number is always the most recent issue of a given procedure.

If difficulties or questions arise in filing these procedures, please feel free to contact Mr. J. M. Sills at _____ for assistance.

Very truly yours,

Don W. Warembourg
