Subject: Beaver Valley Power Station, Unit No. 1
Docket No. 50-334, License No. DPR-66
Notification of Removal of Reactor Operator
from Licensed Duties

Gentlemen:

The purpose of this letter is to provide notification, in accordance with 10CFR55.25, of an NRC licensed operator who no longer meets medical requirements stipulated in 10CFR55.33. Lawrence M. Miller, License No. OP 10400-1 was removed from licensed duties on April 15, 1991, following notification of a medical condition limiting his ability to perform licensed duties. Documentation of Mr. Miller's medical condition is on file with Duquesne Light Company medical department. Certification of Mr. Miller's ability to perform licensed duties will be submitted on NRC Form 396 prior to allowing return to licensed duties. Should you have questions regarding this notification, please contact Mr. Ernest Chatfield, Training Manager at (412) 393-5710.

Very truly yours,

J. D. Sieber
