EMERGENCY COMMUNICATIONS LOG SHEET

INSTRUCTIONS

Entry
Number

Instructions

1. Identify the emergency location where this Log Sheet is maintained during an emergency (i.e.; Corporate Incident Response Center, Materials Dept., Emergency Operations Facility, etc.)
2. Enter the date which this Form is being used. Start a new Log Sheet each day.
3. Consecutively number each page used each day.
4. Enter the time for each Log entry. Use the 2400 hour clock to avoid confusion.
5. Clearly record the name of the individual calling you or whom you are calling.
6. Record the individuals PGandE Emergency Organization Title or their non PGandE affiliation.
7. Check the entry activity as to whether the individual called you or you are calling them.
8. Enter the entire context of the message being communicated. Read back the message to the individual to assure correct copy/transmission.
9. Enter your initials upon completion of each Log Sheet entry.
