SUBJECT: Entergy Nuclear Performance Report,  
March, 1991

CNRO-91/00010

Dear Mr. Boger:

Please find enclosed the March 1991 edition of the Entergy Nuclear Performance Report. The report compiles performance for some twenty key performance indicators for our nuclear units, Arkansas Nuclear One (Units 1 and 2), Grand Gulf Nuclear Station, and Waterford-3. The reports are provided for your information and to periodically acquaint you with reports on nuclear unit performance that we develop for distribution to Entergy Corporation management.

Sincerely,

GWM/JGC/sep
