This amendment is being submitted in order to:

- o Amend the FSAR/ER to include responses to the requests for additional information that resulted from NRC's Acceptance Review of our operating license application. Questions/Responses are provided in a dedicated Volume 15 for the FSAR and Volume 3 for the ER. All resultant changes to the FSAR/ER are being incorporated throughout the text. The Acceptance Review responses were originally submitted to NRC via Reference (1).
- o correct typographical errors
- o provide updated information

If you have any concerns related to commitments contained herein or any questions related to our responses, please contact our licensing representative directly.

Very truly yours,
