Att: Document Control Desk  
Washington, DC 20555

Gentlemen:

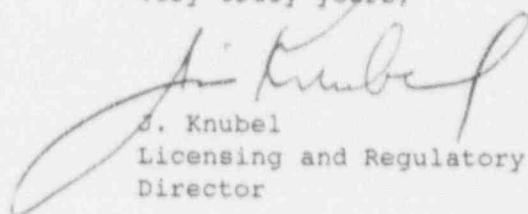

Subject: Oyster Creek Nuclear Generating Station  
Docket No. 50-219  
Certain Deletions and Exemptions Applicable to  
Oyster Creek Operating License

In response to your recent request we have reviewed our current Provisional Operating License (POL) to see if certain existing requirements should be deleted from the forthcoming Full-Term Operating License (FTOL) because they are no longer applicable.

We have also reviewed our records for certain exemptions which were granted under the provisional license and which should remain in effect under the FTOL.

The deletions and exemptions are listed in the attachment. If you have any questions concerning the information being provided, please contact M. W. Laggart, Manager, Corporate Licensing on (201) 316-7968.

Very truly yours,

  
J. Knubel  
Licensing and Regulatory Affairs  
Director
