Re: In the Matter of: Detroit Edison Co.  
(Enrico Fermi Atomic Power Plant,  
Unit 2)  
Docket No. 50-341 OL

Dear Sir:

I am the attorney representing the Citizens For Employment and Energy (CEE), the intervenors in the above licensing proceeding. Please note the change of my business address from 305 Mapleridge, Ann Arbor, Michigan 48103 to the above letterhead.

Additionally, I have regularly been receiving two copies of numerous documents forwarded to me by the NRC. One regularly comes in a manila envelope, the other in a brown paper envelope. Apparently my name is included on two different mailing lists. I really only need one copy of these materials, so if you can determine which mailing lists I am on, feel free to remove me from one and save yourself duplicating costs and postage.

Yours truly,

*John R. Minock*
