Subject Implementation of Prairie Island EOF Procedures

Effective May 20, 1991 Prairie Island Emergency Plan Implementing Procedures F8-1, F8-2, F8-3, F8-4, F8-5, F8-6, F8-8, F8-9, F8-10 and F8-11 will be in effect in the Prairie Island EOF. These procedures will be used for EOF startup and operation in place of the Corporate EPIP's which are currently being used. In addition to the new F8 series procedures new PINGP forms will replace the existing Corporate CEPIP forms in the EOF.

All EOF staff shall use F8 series procedures and PINGP form for startup and operations in the EOF as of May 20, 1991.

This memo does not pertain to Monticello, they will continue to use the Corporate EPIP's.

Sincerely,

*Donald W. Martin* for

Fred Fey  
Manager, Nuclear  
Radiological Services
