Subject: APPLICATION AMENDMENT - LICENSE NO. XR 66
FUKUSHIMA I, UNIT I - JAPAN

Dear Ms. Wright:

The current expiration date of this license is December 31, 1991 per Amendment No. 11. Since further exports under the authority of this license will be needed beyond the current expiration date, GE hereby requests an amendment to this license to extend the expiration date to January 1, 1996.

Further, GE requests GE Reuter Stokes Edison Park, 8499 Darrow Road, Twinsburg, Ohio 44087 to be shown as "Other Parties to Export" on this license.

Thank you for your assistance in this matter.
