RE: Docket No. 50-606
Additional Information for Arkansas
Tech University SAR

Dear Mr. Adams:

Arkansas Tech University submitted an application for a construction permit/operating license for a TRIGA Research Reactor on November 13, 1989. Arkansas Tech University received a request for additional information dated January 28, 1991, and our engineering faculty are preparing a response which will be sent at the earliest possible date. We have established a schedule which will allow the NRC to receive Arkansas Tech University's response before August 30, 1991.

Sincerely,

Kenneth Kersh
