Long Island Lighting Company
Shoreham Nuclear Power Station, Unit 1
Docket No. 50-322 OL
Filing Date for Alternative Means
of Implementing Offsite Emergency Plan

Dear Administrative Judges:

LILCC has advised you that it will be filing in late April or early May alternative means for implementing the offsite emergency plan for Shoreham without Suffolk County's resources. This letter is to advise you that we believe we will be able to serve this material the week of May 16. This is not quite "early May," but it is about the best we can do given the size of the task.

I hope this schedule will be acceptable to the Board.

Yours very truly,

James N. Christman
