Perry Nuclear Power Plant
Docket No. 50-440
Changes to Perry Nuclear Power Plant
Operating Organization

Gentlemen:

Effective July 1, 1994, Mr. Donald K. Cobb, Jr., the current Superintendent, Plant Operations, will assume the position of Manager, Perry Plant Operations and Mr. John Messina, currently Operations Staff Supervisor, will assume the position of Superintendent, Plant Operations. Mr. Cobb and Mr. Messina hold Senior Reactor Operator (SRO) licenses and are fully qualified for these positions in accordance with ANSI N18.1-1971.

The above changes are being made due to the assignment of Mr. Mark B. Bezilla, the current Manager, Plant Operations, to the Senior Reactor Operator/Reactor Operator training and examination program as specified in letter PY-CEI/NRR-1606L, dated February 1993. It is expected that upon receipt of his SRO license, Mr. Bezilla will be returning to the position of Manager, Plant Operations.

If you have questions or require additional information, please contact Mr. James D. Kloosterman, Manager - Regulatory Affairs at (216) 280-5833.

Very truly yours,

for Robert A. Stratman
