Re: Long Island Lighting Company
(Shoreham Nuclear Power Station, Unit 1)
Docket No. 50-322 O.L.

Sirs:

NSC writes in support of the Suffolk County Motion For
Revision Of Schedule, dated May 2, 1983.

In addition to the cogent reasons advanced by Suffolk
County, NSC suggests that the limited resources available to it
emphasizes the desirability of the County's proposal.

The coordination of the views of Intervenors, a course
frequently urged by the Board, will be facilitated by allowing all
parties to meet within the two weeks suggested by the County. The
interchange may clarify the concerns of the parties and permit
more sharply focused contentions when filed.

Respectfully yours,

Ralph Shapiro
