LICENSEES' MOTION FOR AN EXTENSION OF  
TIME TO FILE CORRECTIONS TO TRANSCRIPTS

Consolidated Edison Company of New York, Inc. and the Power Authority of the State of New York, licensees of Indian Point Units 2 and 3, respectively, hereby move this Atomic Safety and Licensing Board (Board) for an order extending the time of the parties to the Indian Point Special Proceeding to submit post-hearing corrections to the transcripts from May 15 until June 15, 1983, and the time for comments on these corrections from May 25 to June 24, 1983.

DS03

The granting of this motion is warranted because the preparation of these corrections, like the preparation of proposed findings, imposes a substantial burden on the licensees during the period that memoranda and oral presentations responding to the Commission's May 5 Order are being prepared. This extension is consistent with the Board's extension of the deadline for filing of Proposed Opinion, Findings of Fact, and Recommendations in light of the intervening circumstances surrounding the Commission's May 5, 1983 Order. See Licensees' Motion for a Stay of the Schedule for Filing of Proposed Opinion, Findings of Fact, and Recommendations in the Indian Point Special Proceeding (May 6, 1983); Order Establishing Procedures for Decision on Enforcement Action (May 15, 1983).

Based on the foregoing, the licensees hereby request that, to ensure a complete and accurate record, the deadline for filing corrections to the transcripts be extended to June 15, 1983, and the deadline for filing comments be extended to June 24, 1983.
