In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353

Dear Ms. Dorsey:

Enclosed for execution is a protective agreement regarding disclosure to Limerick Ecology Action of the document entitled "Philadelphia Electric Company Q*5 Component Classification Program Rules," which is proprietary to the Quadrex Corporation. As we discussed, there appears to have been a misunderstanding as to the willingness of the Quadrex Corporation to release the information prior to the admission of this contention. While we remain of the view that the manner in which the list of components to be environmentally qualified should not be a separate issue and that the only legitimate issue is the adequacy of the list which is developed, Quadrex and the Applicant are willing to make this document available to
