Docket Nos. 50-338 OL & 50-339 OL
Turbine Missile Testimony

Gentlemen:

Enclosed is a second copy of the "Veeco Testimony on Probability of Generating Turbine Missiles and Turbine Over-speed Protection System." I discovered this morning that the version I served last Friday did not have the lines numbered, unlike the other two pieces of testimony I filed then. The enclosed copy corrects that oversight. The text is identical to that in the Friday version.

Yours very truly,

James N. Christman
