Mr. J. M. Felton, Director
Division of Rules and Records
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

6 May 1983

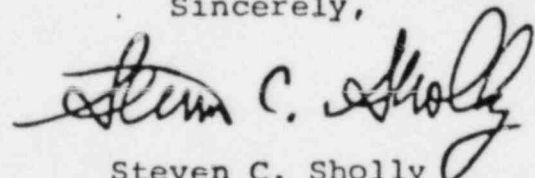

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, please make available at the NRC's Public Document Room at 1717 H Street, N.W., Washington, D.C., copies of records in the following categories:

- A. Any and all correspondence between Public Service Company of New Hampshire, Pickard Lowe & Garrick, United Engineers and Constructors, and/or Westinghouse and the NRC concerning a probabilistic risk analysis of the Seabrook Units 1 and 2 nuclear station.
- B. Any and all drafts and/or portions of drafts of a probabilistic risk analysis of the Seabrook Units 1 and 2 nuclear station.
- C. Any internal NRC memoranda and/or other documents (including those between NRC and its contractors) concerning a probabilistic risk analysis of the Seabrook Units 1 and 2 nuclear station or the review of that probabilistic risk analysis.

Your cooperation in responding to this request is appreciated. Should you or your staff have any questions in regard to this request, please do not hesitate to contact me at the Washington, D.C., office.

Sincerely,

Steven C. Sholly
Technical Research Associate
