James F. Ahearn, Chairman  
U.S. Nuclear Regulatory Commission  
1717 K. Street, N.W.  
Washington, D.C. 20555

Dear Sir

I'm writing concerning  
Docket 50-289 SP, TMI-Unit 1,  
Widdletown, Pa.

I believe the following:

1. Nuclear power is safe, inexpensive and needed.
2. TMI-1 is different from TMI-2.
3. TMI has been modified.
4. The NRC has waited too long to decide the fate of TMI-1.

I urge you to order the  
restarting of TMI-1 with-  
out further delay.

Sincerely yours,  
(Mrs.) Malgorzata Wandy
