Subject: MANAGEMENT PLAN FOR EXTENDED
CONSTRUCTION DELAY OF WNP-3

Reference: Letter, G03-83-546, D. E. Dobson to D. M. Sternberg,
"WNP-3 Extended Construction Delay," dated July 13, 1983.

NRC Region V was advised of the actions leading to an extended construction delay of WNP-3 in the referenced letter. The Supply System has been developing a detailed Management Plan to describe the policy and guidelines to be followed in implementing the delay. Final drafts of this plan are being mailed to our Executive Board today. We are enclosing a copy for your information.

We would be pleased to review this plan and supporting background information with you in Walnut Creek. Should you have questions or desire further information, please contact me directly.

D. E. Dobson (760)
Acting Program Director, WNP-3/5
