CORRECTION TO FSAR AMENDMENT SUBMITTAL

Gentlemen:

Our letter of July 22, 1983 submitted annual amendments to the Hatch Unit 1 and 2 FSARs. Subsequently, an error was discovered in the page insertion instructions and changed pages for both units.

The page insertion instructions showed changed pages for the "List of Figures" and "List of Tables" for all volumes. Changed pages were also included for all volumes. However, both units' FSARs contain these lists in Volume 1 only. A corrected page insertion list is attached. The "List of Figures" and "List of Tables" should be updated in Volume 1 only. Please discard changed pages for these lists which were previously provided for the remaining volumes.

Please contact this office if you have any questions.

Very truly yours

*L. T. Gucwa*
