OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

Samuel A. Autman  
4605 Bessie Avenue  
St. Louis, Mo. 63115

August 21, 1983

U.S. Nuclear Regulatory Commission  
Washington, District of Columbia  
20555

Dear Sirs:

I am very concerned about prevent the operation of the Callaway Nuclear Plant. You were referred to me by Senator Thomas Eagleton after he told me that it was out of the range of his authority.

What is the likelihood of Callaway Plant being intervened? I realize that the plant has been built and now they are waiting for permission to operate. My question is "Where do you stand?"

Definitely yours  
Samuel A. Autman
